### Thumbprint Signature Program

All items listed below feature the Thumbprint Signature logo in red and black. Decals, teller window display signs, and statement stuffers are printed in both English and Spanish (the Spanish translation can be deleted upon request).

**Touch Pads** . the pads have shelf live of 18 months or a minimum of 500 impressions. Banks should order enough for all tellers and drive-through staff.

**Teller Window Display** . post these 6x3+percent-style+display signs at all teller windows as an additional reminder that you participate in the program.

**Statement Stuffers** . these 3.5x7.5+brochures explain the mechanics of the program. Send them as a public service announcement to all bank account holders and have plenty on hand for anyone who might have questions about the program. Please order in increments of 500.

**Decals** . post decals at all bank entrances to let people know you are participating in the program and to warn potential criminals that their crimes will not go undetected. You also may want to post decals in your drive-through stations.
